

PeerPals.org is a not-for-profit organization dedicated to helping preschool age children become part of their communities.

All children can benefit from our program as they learn compassion, empathy and acceptance as they play with some new friends. We are looking for children, with and without disabilities, ages 2 to 5 years old, who want to make a new friend in their neighborhood.

PeerPals.org is building inclusive communities one friendship at a time.

Won't you join us?
